Dear Ms Morton

There was no video recording of the bus accident. The bus had no surveillance camera.
If you know if some external camera that recorded we would appreciate you sharing that footage.

This is a request under the Freedom of Information Act. I request video footage from the activity bus that was involved in a rollover accident on February 26, 2015.

In order to help you to determine my status for the purpose of assessing your fees, you should know that I am a reporter at WQAD in Moline, Illinois and this request is made for news gathering purposes and not for commercial use.

I request a fee waiver because disclosure of this information is in the public interest.

Please contact me at [217-891-9965](tel:217-891-9965) if you have any further questions.

Mark,

No video exists from the white bus referenced. Thank you for your polite inquiry.

If you want to change people, you must create enough leverage to encourage the change to happen.

Hi Scott,

This email is a request for information under the Illinois Freedom of Information Act.

I'd like a copy of any bus video from the multi-function school activity bus crash from last Thursday, Feb. 26, 2015.

I'm willing to provide a dvd, or hard drive, or other suitable electronic device to aid in the fulfillment of this request, if the district so desires. I would like a copy kept in electronic form. Obviously video files can be rather large, so it may not be feasible to email a copy of the video file depending on how large it is.

As a member of the news media, I'm requesting a fee waiver for this request, as it is for a report in the public interest.

Please feel free to contact me with any questions or concerns.
